Dear Jim:

As a follow up to our recent conversation, I want to inform you that we have been extremely pleased with your performance on our past projects.

Both the retail store and building addition you worked on required the highest quality work and performance due to the nature of the image we are trying to develop. I was very pleased with the quality of the workmanship, as well as the responsiveness to our needs.

If I can be of any assistance as a reference for any of your future work, be assured that I will speak highly of your competence. I wish you continued success.

Sincerely,

Howard Weaver
