Dear Jim,

John and I would like to express our thanks and appreciation to your company. The quality of your work, your cooperation in coordinating our move in date and your generosity in implementing our changes within budget were all greatly appreciated.

We have received many complements on the attractiveness of our new facility. Your efforts contributed greatly to these results. Thanks!

We enjoyed our association with you and your firm, and will be pleased to be used as a reference. Should we decide to build again, you will be our first choice for a contractor.

Best regards,

Richard D. Whiddon
President
